## Take Action

- Read** Send me the newsletter so I can learn about Cheetah, volunteer and meet others (it's easy to cancel.)
- Meet** I would like to meet and/or talk to a Cheetah representative.
- Introduce** I will forward Cheetah's information to family and friends.
- Network** I would like to personalize the newsletter to introduce Cheetah to my friends.
- Host** I might like to host a Cheetah representative at my group meeting (Rotary, Bible study, Chamber of Commerce, etc.) or with a group of select friends in my home or at a restaurant
- Join** I want to join a USA planning team to find resources and work on projects; such as, find sustainable technologies for villages, help with office work, design or engineer, select farm equipment, do PR, join a prayer team, etc..
- Travel** I might be interested in traveling to Africa to provide technical support and see Cheetah's work first hand.

**It takes people to help people.**

**Be the change.**

## Non Traditional Giving: Change the World through Your Investments

- A. Minimum investment: \$2500.00
- B. Terms: unsecured note with selectable 3-5 year term and a 0-3% interest.
- C. Single payment at end of term.
- D. Although your investment will change the lives of the poor, it is not tax deductible. The difference you would have earned placing your investment elsewhere may be. As with all investments, consult your tax advisor.
- E. 100% of your investment is placed in businesses in the developing world.
- F. **Mustard Seed Fund:** your money is pooled with other investors and spread across many businesses. You receive informative reports.
- G. **Gardner Fund:** Alternatively, if you want to sponsor a complete project you can cover the investment needed and receive inside information on the project. Investment opportunities typically range from \$50,000-500,000. You share directly in project risk.
- H. Current terms are in written documents available at Cheetah's website ([www.CheetahDevelopment.org](http://www.CheetahDevelopment.org))
- I. Investing in developing nations carries certain risks and is not for everyone. See additional information at [www.CheetahDevelopment.org](http://www.CheetahDevelopment.org) or ask your Cheetah representative.

## Creating Opportunity to Change Lives

With 85% unemployment  
in Tanzania, a person  
with a good job  
often cares for  
50 or more people.

**Let's  
stop  
handing  
out  
fish.**

You can make a difference.  
Use your time, talents, and  
resources to change the world.  
Thank you for your contribution!

**Let's go fishing.**
