Some of the Silent Auction  
Items

Dear Friends and Supporters,

Sold!

It's not that you *need* three MORE reasons to attend the First Annual Cheetah Development Benefit on Thursday, September 29th from 6-9 PM, we just have a thing for over-delivering. We also happen to LOVE auctions (who doesn't, right?). So, we are EXTREMELY happy to offer these three unique auction experiences at our Gala- here we go.

Tanzanian Style Auction:

Find out how auctions are done, 'Tanzanian Style'. Join the circle for a truly unique experience of kinship.

Silent Auction:

Enjoy browsing an eclectic arrangement of authentic African wears and arts. These items were hand selected by Cheetah Development Executive Director, Ray Menard, while living in Africa.

Live Auction:

Your opportunity to go home with something distinctly 'Africa' will crescendo with the live auction of a stunning 4.01 carat Tanzanite Gem Stone-jewelry appraised at \$3,755 USD (appraisal documentation included).

We look forward to seeing you all at the Minnesota Valley Country Club with your bid paddles raised high. Let the bidding begin!

For more information and to register for the event, please visit: [www.cheetahdevelopment.org/benefit](http://www.cheetahdevelopment.org/benefit) or call 612.548.1129.
